“We your people, ours the journey, now and evermore!”

Easter Sunday at *The Park* we celebrate the resurrection of the Jesus, the Christ and we also celebrate our resurrection and the beginning of a new chapter in our long 205 year journey in the city of New York.

From the faithful nine who met around a kitchen table in Lower Manhattan to today's growing numbers who gather on the Upper East Side to worship in the glorious sanctuary designed and modeled with inspiration from Sainte-Chapelle's in Paris, we have endeavored to bloom where we are planted in this great city and to hear the call of the prophet "to seek the shalom of the city" in this big bustling, sometimes beautiful and bodacious place called New York.

Join us this Easter Sunday as we gather for breakfast at 9 am in the Idleman Parlor and weather permitting, we will make our way to the rooftop

and have a time of quiet reflection, prayer, story telling, singing and saying goodbye to a building that has served us well for over 50 years even as we greet a new day and a new chapter in the life and work of the Park Avenue Christian Church of New York City.

Our regular morning worship with organ, brass, trumpets, trombones, glorious singing, powerful and prophetic preaching will commence at 11 am in the Sanctuary. You don't want to miss!

Though we reach the highest heavens, holding worlds at your command, we are yet a desert people searching for the promised land. God of rainbow, fiery pillar, leading where the eagles soar, we your people, ours the journey now and evermore.

Rev. Dr. Alvin O'Neal Jackson

Saturday Community Lunch Program

Park Avenue Christian Church's Saturday Community Lunch Program (SCLP)— is a thirty year ecumenical ministry to serve those in need of fellowship and a meal from the five boroughs of New York City. It is *The Park's* signature Outreach Ministry and is composed of congregations from *The Park*, The Temple of Universal Judaism, Manhattan Church of Christ and Park Avenue United Methodist Church and formerly St. Ignatius Loyola RC Church.

Faced with the challenge of keeping this essential Outreach Ministry running at *The Park* presently, on the first and fifth Saturday of the month serves Bag Lunches prepared and distributed from the Park's 85th Street entrance. On the second and fourth Saturdays Manhattan Church of Christ has graciously opened its doors so we can prepare and serve sit-down lunches so our guest can experience the warmth and fellowship they have experienced over the years.

While meals are being prepared there is a Bible Study and motivational film after lunch. On the third Saturday we recommend our guests to go to St. Jean Baptiste RC Church.

Mission Update by Rev. Hugo Monroy, Chair

The church exists in order to carry out the mission of God. That mission has to do with the liberation of human beings from the oppression of sin, Satan and world. We at the Park have several opportunities for members to join the Lord in his mission of redeeming his creation. You can contribute to the wells in Haiti, you can volunteer at an immigration clinic, or at a homeless luncheon, you can even lead your own ministry in an area where you feel call by God to make a difference or in an area you are very passionate about.

Concerning the immigration clinics: we do them because the immigrant has a preferential option in the sight of God. The Lord commanded Israel to treat the immigrant among them well, remembering that they were immigrants in the Land of Egypt, Deuteronomy 14:28-29; 16:11; 24:19. Abraham recognized that he was an immigrant in the land of the Hittites, Genesis 23:4; most of our ancestors in the faith, regardless of where they lived, recognized they were resident aliens on this earth, Hebrews 11:13. The Lord also told Israel not to sell the Land, because the land is His and we all are mere tenants, Leviticus 25:23. Our Lord himself and his family were exiles to Egypt and they were immigrants. We do the clinics four times a year. We average about 15 families per clinic. We volunteer between 3-3 1/2 hours each time. We just had our second clinic this year on March 7, our next clinic is going to be on June 6. We normally start at 9 am and go until about noon, or 12:30.

On Sunday, March 15th, we welcomed Paul Turner who will be serving as a missionary and Disciple Ambassador in the Democratic Republic of Congo for the next four years. We look forward to supporting the ministry and work of Paul Turner with our sisters and brothers in the Congo. For more information visit

Open Table @ The Park

The theologian Karl Barth is said to have said "We must hold the Bible in one hand and the newspaper in the other." Since August 2014, a hosting team made up of members at The Park and led by Pastoral Associate Chantilly Mers have been in prayerful conversation about a mid-week service to reach those in our neighborhood and beyond. And so every first Wednesday we gather for a simple meal with our Bibles and conversation and prayer about the great issues facing our world.

Mark your calendars! We'd love for you to be there and even bring a friend or two!

If you're interested in getting involved with preparing for this service, please contact Chantilly Mers at icmers@gmail.com.

EVENTS & OPPORTUNITIES

Ministry Council Update by Rev. Joseph Roberson, Chair

As the Ministry Council moves into the Spring of the year, we are working on several items to help strengthen our organizational development and capabilities.

First of all, we are working towards strengthening the ties between our program teams and the Ministry Council. Council members will be serving on the church teams and team leaders will be invited on a rotating basis to share their work and ministries at Council meetings. In this way, we are hopeful to approach program ministries in a more coordinated fashion.

Secondly, we are looking at the idea of a church retreat. A time for spiritual introspection and growth as we seek God's guidance in growing the ministries that God has called us to do.

We look forward to a bright 2015.

Elders Update by Rev. Dr. Richard Sturm, Chair

The Team of Elders at *The Park* work to nurture and care for the spiritual strength of the congregation, provide support and counsel for the Pastor, and build up the vision, mission, and fellowship of our beloved community.

One of the ways we have been most engaged in the last months and years is caring for candidates seeking ordination in the Christian Church (Disciples of Christ). Currently we have five such candidates: Margie Watrobski, Chantilly Mers, Stephen Tickner, George M. Schmidt, and Drew Seisico. Two Elders mentor each person and all are helped to assess their call to ministry, their experience in and relationship with our congregation, and their understanding of the Christian Church (Disciples of Christ).

Elders also continue to share responsibility with clergy for presiding over the Lord's Supper in worship, help with special services (like Ash Wednesday), and provide pastoral care for those in the community with special needs.

The 2015 General Assembly of the Christian Church (Disciples of Christ) is set for July 18-22 in Columbus, Ohio and planning is well underway. If you've been before, you'll find a bounty of new worship experiences and learning tracks. If you've never been, there is a website with a wealth of information, including a page just for you. Go to ga.disciples.org to see the schedule, workshop offerings and register online. See you in Columbus!

Members of *The Park* Abroad

Katrina B. Mitchell, MD, a member of *The Park* since 2011, works as a general surgeon at Sekou Toure Regional Referral hospital in Tanzania, East Africa. A 2014 graduate of the Weill Cornell-New York Presbyterian Hospital general surgery program and a 2006 graduate of Dartmouth Medical School, Katrina has been involved with global health outreach activities for most of her medical education and career. She previously lived in Tanzania from 2009-2012, when she helped develop surgical education for the local medical school and established the first pediatric burn unit for the northwestern Tanzania Lake Zone region.

Currently, Katrina treats a variety of emergency and elective surgical conditions and is collaborating with local colleagues to expand the burn unit's prevention and outreach initiatives among rural villages. In the summer of 2015, Katrina will return to the US to complete a one-year breast surgical oncology fellowship at MD Anderson Cancer Center in Houston, Texas. As a surgeon, who will focus specifically on breast cancer operations, Katrina's goal is to work with breast cancer patients from underserved populations both in the US and abroad. She ultimately would like to improve breast cancer care for all patients, regardless of race or socioeconomic status.

Throughout her life as a physician, Katrina often remembers 1 Peter 4:10-11: *Like good stewards of the manifold grace of God, serve one another with whatever gift each of you has received. Whoever speaks must do so as one speaking the very words of God; whoever serves must do so with the strength that God supplies, so that God may be glorified in all things through Jesus Christ. To him belong the glory and the power forever and ever. Amen.*

Our Journey to Such a Time as This

At every intersection of one's life many different roads traveled with many different guides and co-travelers converge, creating a uniquely individual yet communal experience. It is a moment when one's past pursuits and dreams have carried you to this point but your future is calling you to take the key kernels of those lessons and forge a new unpaved path using these kernels as tools to help you along the way. Such a moment in my life will be occurring on April 26th, 2015 when I will be ordained by the Christian Church (Disciples of Christ) and Park Avenue Christian Church.

Born in New Braunfels, Texas and raised in Yukon, Oklahoma, my life's journey has included taking several different paths. Beginning with sports, moving along to the theatrical stage and meandering into the non-profit social justice world, this path has been a varied one. However, along these varied paths, there was a constant restlessness in my being, a longing to find my calling.

Growing up the son of a Presbyterian pastor, I was consistently knocking down the vicious assumption that I would be attending seminary. However, God's plans have a funny way of being revealed. After putting up a losing fight for many years, I entered Union Theological Seminary in 2010. Union was a precious place for me. In conjunction with being in a local church community, it is where I was able to form my theological framework and lens that finally led me to seek ordination with the Disciples of Christ.

Many people have guided me on my journey and helped to create this current path. None of whom are more important than my wife, Bianca.

A trained dancer and singer, we met working in a popular Times Square restaurant. Somehow, between her different tours of Asia and the United States, we stayed in touch, fell in love and on May 20th, 2012 we were married.

Bianca, who is now working in real estate, has been a grounding force in my life. It was a shock to her system when I told her I wanted to go to seminary and an even bigger shock when I told her I wanted to be a pastor. But her support has never wavered and even gotten stronger as this moment has gotten closer. This bond will be even more important as we embark on this new journey together while also anticipating the birth of our first daughter in June. This journey into ordained ministry will be new on several different fronts.

It is with utmost humility, thankfulness and eagerness that I am being ordained as a servant and a disciple of Christ. I can't thank members of *The Park* enough for their continued support.

Children's & Youth Ministries Update by Marjorie Watrobski

The Youth and Children's ministries have been keeping ourselves busy. We have been

having a good time learning stories and lessons from the Bible. We acted out the story of Jonah and the Whale and learned how God keeps promises, such as with Abraham and Sarah and sending the Messiah to teach us. Throughout Lent we have all taken boxes home from Week of Compassion and are adding coins to them each day, grateful for the things we have and thinking of those who have less than us.

Along with the rest of the church, we are also going through changes. Rosy Taveras has moved on from our program in order

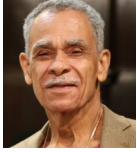

to complete her Master's degree program and Marisol Figueroa will be joining us once more, on March 22. We are very thankful for all Rosy has done for our children and look forward to Marisol's return. Also, with the changes happening in our building, Sunday School is relocating to the hallway behind the Sanctuary for the foreseeable future. This will be an exercise in ingenuity that I, for one, am looking forward to.

If you have any questions about our Youth and Children's ministries, please, feel free to email me at marjorie@parkavenuechristian.com.

More From Our Ministry Teams At The Park

Building Team

Just as Noah was ridiculed, and criticized for building the large boat, so have we, for daring to build, but we build on The Promises of God. For the past years we have been fighting for our rights to build; a place where God's People can come together, a Community of Faith. In years to come this will be The Learning Center for Spirituality and Hope. The Building Team is determine to see this through.

Deacon Update

The principal duties of Deacons at the Park consist in preparing and serving communion at Christ's Table, as well as providing hospitality to members and visitors before, during and after services. As model servants, Deacons are active participants in the life of the church. Stephen (Acts 6-7) and the admonitions of 1 Timothy 3 show us, that being a deacon also involves a personal commitment to spiritual growth and devotion, "holding fast to the mystery of the faith with a clear conscience."

*Raymond Verrey
Chair, Deacon*

Minister of Music Search Team

Over the past 8 months, the Minister of Music Search Team has been tasked with finding an individual to lead what we all believe to be one of the most important ministries of *The Park*.

Interest in the music industry of *The Park* has been remarkable. Over 40 talented individuals submitted applications for the position. The search team, which included **Myrna Payne, Carl Buckland, Rev. Dr. Richard Sturm, Dr. Nadeige Sekyiamah, Iris Burroughs, and Bruce Carlson**, along with **Pastor Jackson** and myself, reviewed each of these resumes in detail. Ten applicants stood out and were personally interviewed in depth by the team.

Throughout this process, the search team has been primarily concerned with finding an individual whose talents, spirituality, and creativity reflect and challenge the extreme diversity of musical expression that inspires and moves us as a congregation and as individuals — from early music and classical to gospel, from familiar hymns to international praise music.

As many of you have experienced, three individuals were invited to lead the choirs and congregations in worship over the past several weeks and we want to thank the congregation and choir members for feedback concerning these candidates. We acknowledge that your responses have enabled us to understand that different individuals bring different talents and expressions to the

music that lifts our spirits every Sunday.

So I am pleased to announce that TWO individuals have agreed to join us as collaborators in our music ministry.

*Estella Pate,
Chair, Minister of Music Search*

Introducing Our New Music Ministry Team

We are excited about the talents Saya and Darwin bring us as a team and look forward to their contribution to the music ministry of *The Park*.
